Claims 1, 11 and 21-24 are rejected under 35 U.S.C. 112, first paragraph, as containing subject matter which was not described in the specification in such a way as to enable one skilled in the art to which it pertains, or with which it is most nearly connected, to make and/or use the invention.

Claims 1 and 11 have been amended to recite the usage of an "anti-smoking drug" instead of the originally recited "Lobelia".

The term "anti-smoking drug" broader in scope than the recitations of Lobelia found in the disclosure. Since the term "anti-smoking drug" can encompass prescription pharmaceuticals, it is far broader in scope than the recitation of Lobelia found in the disclosure.

Claims 1 and 11 can be corrected by deploying the term "Lobelia". This may be accomplished by Examiner's Amendment, with applicant's authorization.

Claim 1, 11 and 21-24 would be allowable if rewritten or amended to overcome the rejection under 35 U.S.C. 112, first paragraph, set forth in this Office action.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event,
